Board Approves Senior Center Improvements

SAN BERNARDINO - The Board of Supervisors on Tuesday approved a contract that provides \$25,000 for various improvements at the George White Senior Center in Fontana.

Second District Supervisor Paul Biane secured Community Development Block Grant funding for the improvements at the request of the Oldtimers Foundation, which provides various services for seniors including free and nutritious meals at the George White Senior Center.

The center improvements are slated to include new flooring, fixtures, countertops and upgraded restrooms that comply with the Americans with Disabilities Act. In return for the CDBG funding, the Oldtimers Foundation agreed to provide \$25,000 for programs and services at the center, which serves residents in unincorporated Fontana, Lytle Creek and the City of Fontana.

"By working together, the Oldtimers Foundation and the County are improving the services we provide seniors in the Second District," Biane said.

The George White Senior Center is located at 8565 Nuevo Rd. in Fontana. Resident can call the center at (909) 822-4493 or the Oldtimers Foundation at (909) 829-0384 for more information about programs available to seniors.
